SUMMARY

Adaptable and achievement-oriented professional with a strong background in Java programming, bolstered by a fundamental knowledge of web development. Proficient in crafting and executing robust software solutions, with a particular emphasis on enhancing performance and attaining tangible outcomes. Furthermore, I possess a firm understanding of web development fundamentals, facilitating the smooth incorporation of Java applications into web frameworks.

SKILLS

Languages: Java, C, JavaScript, HTML, CSS, SQL.

Expertise: JDBC, Bootstrap, Android Application Development.

Technologies: Eclipse IDE, VS Code, Android Studio, MatLab.

EDUCATION

2020 - 2024	**B.Tech - Computer Engineering (Artificial Intelligence and Machine Learning)** CGPA: 7.92/10.0 Bengaluru, Karnataka	**Presidency University**
2018 - 2020	**Intermediate (M. P. C) - APBIE** Final Marks: 844/1000 Vijayawada, Andhra Pradesh	**Sri Chaitanya Junior College**
2017 - 2018	**SSC (X) - SSC** CGPA: 9.7/10.0 Adoni, Karnataka	**National EM High School**

PROJECTS

Machine Learning	**Smart Web App Based Disease Prediction System** Worked on building various machine learning models for classification of major diseases including Heart, Liver, Kidney, and Diabetes to detect an early prediction through a smart web application which analyzes the state of disease and recommends the treatment plan.
Internet Of Things	**Cloud Based Smart Bin** Collaborated with a team of four members on a university project focused on creating a real-time IoT model. The project aimed to automate and enhance the functionalities of a dustbin through a hands-free approach, utilizing a cloud platform for data visualization. Specifically, my role involved developing the code to facilitate the functionality of our model.

CERTIFICATIONS

02/08/23	**Java**	**HackerRank**
04/08/23	**SQL**	**HackerRank**
05/04/24	**Generative AI with Large Language Models** `LLM's / Gen AI`	**Coursera**

LANGUAGES

English, **Telugu**, **Hindi**, **kannada**

HOBBIES

Playing Cricket, **Travelling**, **Cooking**
